3. Indra Kumar K

4. Jerry Alan

- **MENTOR NAME :**

1. C. PADMAVATHY

- **PROBLEM STATEMENT :**

During the COVID 19 crisis, the requirement of plasma became a high priority and the donor
count has become low. Saving the donor information and helping the needy by notifying the

current donors list, would be a helping hand. In regard to the problem faced, an application is to be built which would take the donor details, store them and inform them upon a request.
